RE: Surface Facilities Map Revisions, Canyon Fuel Company, LLC, Dugout Canyon Mine, C/007/039

Dear Ms. Grubaugh-Littig:

Attached please find five copies of Plate 5-2 and Page 5-16 to be replaced in Chapter 5 of the Dugout Canyon Permit. Plate 5-2 has been revised to reflect a change associated with the temporary location of a storage building. The building will be relocated adjacent to the truck loop.

Page 5-16 has been included due to an error, the page when submitted and approved in December 2001 was replaced by a page approved in February 2002. A revision on the December approved page was not included on the page approved in February. Therefore, we are resubmitting the revised text. The revision has been redlined. Both redline and clean copy versions of Page 5-16 have been included.

Thank you for your assistance and if you have any questions, please call me at (435) 636-2869.

Sincerely yours,

Vicky S. Miller
